Completing Contracts on Time and in Budget

dhd construction is a construction company based on the South Coast of KwaZulu-Natal since 1995 and undertakes contracts on a tender basis and in a professional team environment, for both private and public projects. We are well established and experienced in various aspects of construction and geared to deliver contracts on time and within budget. Subsequently we have also opened a branch in Pretoria in the Gauteng Province.

We have an excellent and well established relationship with our suppliers and sub-contractors, ensuring a streamlined project, and this is complimented by a team that are dedicated to deliver the highest quality of workmanship and

finishes. Our teams are uniquely selected, according to their abilities, skills and experience, and are indoctrinated with the company vision.

We are experienced Building Contractors in:

- Commercial / Retail Projects
- Residential Projects
- Multiple Residential Projects
- Institutional Projects
- Healthcare Projects
- Social / Recreational Projects
- Industrial Projects
- Addition & Alteration Projects

Our Vision:

- To ensure the best service at the best price.
- Ensuring quality of materials, subcontractors and workmanship.
- Completion of contracts on time and in budget.
- Completion of contracts to the benefit of all parties involved.

SOCIAL ECONOMIC CONTRIBUTION PLAN (SECP)

Our Social Economic Contribution Plan (SECP) has been implemented to ensure DHD Construction's contribution to the current social economic environment. Our SECP provides a means to identify and maintain social economic opportunities and goals.

Our SECP kicks off at each contract by identifying opportunities to contribute, the areas that would be focused on are in the immediate area of the contract, by identifying:

- Local Community Liaison Officers
- Local Qualified Tradesmen
- Local Qualified Technicians
- Local Qualified Professionals
- Local Contracting Companies
- Local Suppliers
- Local Subcontractors
